

Brevicaudata & Lanigera

NCS

National Chinchilla Society

West Midlands and Wales Field Day

September 11th 2011, 11am to 3pm

Gaydon Village Hall, Church Road,

Gaydon, CV35 0EU

Brevicaudata & Lanigera

NCS

A fun, interactive and informative day for members and non members. Bring your show quality or pet chinchilla along for the day and enter it in our assessment/fun mini show class. Learn lots about these wonderful animals from NCS judges and experienced breeders who will be available to answer your questions all day either in one of the group talks or on a 1 to 1 basis.

Talks and Q&A Sessions

11.30am	Husbandry / General Care
12.00pm	Health
12.30pm	Breeding Chinchillas
1.15pm	NCS Judges Talk on the Quality chinchilla and Exhibiting
1.45pm	Grooming demonstration
2.00pm	Assessment Class / fun show class – all involved!

Entry is free and Refreshments are available, with a raffle on the day to help fund the event. There will be a “For Sale” table with chinchilla feed stuffs on sale plus a limited number of show cages for sale. There will also be an exhibition of high quality animals including many of the mutation colours. Only healthy chinchillas will be allowed in the hall. For example, those that have recently been ill, have loose droppings or fur missing (check carefully around the nose area) should not be brought. We can lend you show cages, but to help estimate numbers needed it would be helpful if you could reserve one.

If the weather is extremely hot then for the welfare of the chinchillas, animals should not be brought to the hall – if in doubt, please call or email.

Contacts: Barry 01922 411570 (info@chasechinchillas.com),

Siân 01926 641337 (enquiry@edgehillchinchillas.co.uk)

Kerry 01902 844089 (Kerry.Bradburn@btinternet.com)

(Directions: Exit J12 of the M40, turn left towards Gaydon. At the roundabout go straight across heading for Kineton. Take the first left down Church Road and it is the timber panelled building on the left before the bend in the road.)

Hope to see you there!
